

HOUSE RULES

1

TIME LORDS ONLY!

Check-in strictly at 1:00 PM and check-out at 10:00 AM. Early check-in and late check-out available for an extra fee. Yes, we're serious about time - we're practically a Swiss watch!

5

FORT KNOX-ISH

Keep your keycard closer than your smartphone! Visitors are like vampires - they need an invitation and can't enter private spaces. What happens in the common areas, stays in the common areas.

2

NIGHT NINJAS WANTED

Silent hours from midnight to 7:00 AM. If you can sneak around like a ninja during these hours, you're our kind of guest! Noisy midnight packers will be sent to meditation class.

6

FEAST O'CLOCK

Outside food is banned - our restaurant's got your back 10 AM - 10 PM, with an afternoon siesta break. Because even our chefs need a power nap to keep the magic flowing!

3

THE SOCIAL JUNGLE

Common areas are your 24/7 playground for socializing, working, or practicing your silent mime routines during quiet hours. Remember: this isn't your college dorm's final party night.

7

SPLASH & DASH

Quick showers, no concerts, no water waste. Think of it as training for your future career as a submarine captain. Quick and efficient! Also keep it clean as your own washroom.

4

YOUR PERSONAL KINGDOM

Keep your mini-empire (bed space) tidy and your belongings in check. Your mom doesn't work here, but we wish she did - she'd be proud of our cleanliness standards!

8

THE PRINCESS AND THE SHEET

We provide fresh linens upon request - just ask. Your bed should feel like a cloud, not a camping ground. And please, no mysterious stains - we've seen enough modern art for a lifetime!

"Still Confused?" These rules giving you a headache? Our team is here 24/7 to help!
